

# ServSafe/Level 2 Training Course Registration

ServSafe is a comprehensive training course that teaches basic and advanced concepts in food safety and protection. This training is open and available to all interested food service workers. Both days must be attended in their entirety for a total of 16 hours.

The Erie County Health Department is an approved Level 2 Food Protection training provider. Successful completion of this course may be used to meet the State of Ohio's Level 2 training requirement.

It is strongly recommended that applicants pick up their course books at the Health Department and review them before the class.

The 2018 schedule of ServSafe course offerings can be found on the reverse-side of this form.

**The cost of the course is \$180.00 per registrant. All materials and lunch will be provided.**

Please make checks payable to: **Erie County Health Department**  
*The Erie County Health Department does not accept personal checks.*

Please complete this form and return it with payment to the Health Department **two weeks prior** to the course.
