

Project DAWN is
a community based drug
overdose education
and Naloxone (Narcan)
distribution program.

Narcan Training

Sandusky Public Library
114 Adams Street
Sandusky, Ohio
March 15th 4 PM

Training Includes:

- Recognizing the signs and symptoms of an overdose
 - Performing rescue breathing
 - Calling Emergency Medical Services
- Administering Intranasal Naloxone (Narcan)

The training is designed for those concerned about a friend or a family member at risk for an opioid or heroin overdose. All eligible participants will receive a free Narcan kit after the training is completed.
