Qualifications

- Bachelor's degree in Education, Health Promotion, Public Health, Communications, or a related field of study.
- One year experience in assisting in and/or developing health education programs (preferred).
- Successful completion of an American Heart Association Heartsaver CPR/AED training within the previous 2 years or ability to obtain within first 120 days of employment.
- Valid Ohio driver's license, current certificate of vehicle insurance, and access to reliable transportation to all assigned work locations.
- National Incident Management System (NIMS)/Incident Command System (ICS) 100.b, 700.a, and 200.c certifications within one month of employment.

Major Responsibilities

Promotes and supports public health by providing a variety of program planning, data collection, administrative and technical support services such as providing specialized, technical, program, or Agency specific information to internal and external customers; assisting local health agencies or groups in developing, implementing and evaluating policy, system, and environmental changes; management of grant activities; participating in the creation and implementation of Community Health Assessments and Community Health Improvement Plan; providing support for community coalitions related to specific programs; participating in community outreach activities; composing, drafting, typing, proofreading and editing documents, contracts, and/or correspondence; establishing and maintaining data files; creating marketing materials.

Essential Functions

Under general supervision and/or as part of the Community Health team, performs the following functions within the framework of the Erie County Health Department and the Erie County Community Health Center's provision of the core functions and essential services of public health:

- Provides specialized and/or technical agency and program specific information that requires limited interpretation of established policies, procedures, and other relevant sources to internal and/or external customers.
- Greets and directs clients to the appropriate office within the Agency.
- Interviews internal and/or external customers to establish program-specific documentation and/or identify services needed.
- Shares responsibility for proper maintenance and operation of office machines.
- Duplicates, collates, scans, assembles, and files materials as requested.
- Maintains paper filing system.
- Relates public health science skills to the Core Public Health Functions and 10 Essential Services of Public Health.

Job Posting #2022-06

- Provides public health information and data to individuals, community groups, other agencies, internal customers, and the public about physical, behavioral, environmental, social, economic, and other issues affecting the public's health.
- Under general supervision, prepares public health documents and reports.
- Provides administrative and technical support to Agency activities related to development and implementation of community health assessment, planning, program, and policy development and implementation activities.
- Adheres to ethical principles and Erie County Health Department policy in the collection, maintenance, use, and dissemination of data and information.
- Maintains, updates, and uses computerized data management systems and utilizes informatics to improve program operations.
- Collaborates in the development of and provides clerical/technical and administrative support to Agency's quality improvement performance management, and evaluation activities.
- Must follow all safety policies and procedures to ensure an accident-free workplace.
- Answers telephones: screens calls, responds to inquiries and/or refers callers to appropriate agencies or divisions.
- Under general supervision, composes, drafts, types and/or word processes, proofreads and edits documents, contracts, and/or correspondence to ensure these conform to the appropriate use of the English language and established procedures.
- Processes mail and email by attaching related correspondence or information before forwarding, responds to mail when appropriate; responds to mail that can be handled personally; identifies priority and/or time-sensitive matters; and maintains security and confidentiality.
- Utilizes appropriate methods for interacting effectively and professionally with persons of all ages and from diverse cultural, socioeconomic, educational, racial, and ethnic backgrounds, sexual orientations, lifestyles, and physical abilities.
- Updates Agency Strategic Plan, Workforce Development Plan, Quality Improvement Plan and Performance Management Plan as necessary monthly.
- Performs all administrative, technical/clerical activities related to Community Health Division and/or program purchasing according to Agency policies and procedures.
- Performs accurate numerical calculations, and/or other applications.
- Performs public health emergency response duties as assigned and consistent with job classification and training provided, in response to threats to the public's health.
- Participates in Agency and community emergency response training and drills in support of disaster preparedness consistent with job classification.
- This position will be responsible for using quality improvement (QI) and performance management (PM) processes and/or techniques to improve the effectiveness of the public health programs. This includes, but is not limited to creating, implementing, and evaluating performance standards and identifying, implementing, and assessing program quality improvement processes.
- Employee goals and objectives need to be aligned with Agency's goals and objectives listed within the Agency's Strategic Plan.
- Adheres to Occupational Safety and Health Administration standards relevant to job duties, such as exposure to bloodborne pathogens.
- Assumes responsibility for own professional growth and development by pursuing education, participating in professional committees and work groups, and contributing to a work environment where continual improvements in practice are pursued.
- Performs other duties as assigned consistent with job classification.
- Greets visitors in a friendly, competent, professional, and informed manner.
- Eases any concerns or distress visitors may exhibit.
- Responds to questions with timely, accurate and complete information.
- Answers and redirects incoming calls as appropriate.
- Follows all regulations and requirements pertaining to public health, federally qualified health center (FQHC), and Agency policies toward the workplace.

Special Requirements

- Treats others with courtesy and respect in all interactions.
- Responds with flexibility to changing needs.
- Manages multiple tasks and deadlines.
- Supports and promotes the Agency's vision, mission, and core values.
- Knowledge of rules and regulations (developed after employment).
- Knowledge of Agency personnel policies and procedures (developed after employment).
- Knowledge of the core functions and essential services of public health.
- Knowledge of general office principles and practices.
- Knowledge of software applications relative to the position assignment.
- Knowledge of basic accounting and mathematics.
- Knowledge of proper English grammar, usage, and spelling.

Job Posting #2022-06

- Knowledge of action tracking on specific work assignments or other items related to work position.
- Ability to keep accurate reports and records.
- Organizational skills.
- Requires a self-starter with the ability to work both independently and as a team member in a professional environment.
- Good natured with a positive attitude; able to perform under pressure.
- Ability to interact effectively and in a supportive manner with visitors, stakeholders, and public peers.
- Always courteous and respectful regardless of race, creed, family and/or economic situation.
- Bilingual language skills a plus.
- Ability to use good judgment and persistence in overcoming challenges, addressing conflicts, and solving problems.
- Effective oral and written communication skills, including phone skills and etiquette.
- Attention to detail, and adherence to established policies and procedures required.
- A problem solver, with the ability to organize and prioritize responsibilities.
- Is flexible, and able to embrace and implement change.
- Working knowledge of Windows personal computer, Microsoft Word, and Excel.
- Knowledge and understanding of Patient Centered Medical Homes (PCMH) process.
- Knowledge and understanding of public health accreditation process.
- Criminal background verification required.
- Ability to time budget in areas of workforce development and Agency duties.

Due to the need for all Health Department personnel to respond to public health emergencies, the employee must be assessed for his/her ability to meet the physical demands of performing the following activities:

- Engage in the following movements: climbing, balancing, stooping, kneeling, crouching, reaching, standing, walking, lifting, fingering, grasping, feeling and writing and repetitive motions.
- Must be able to be fitted and wear NIOSH 95 mask. (Requires the elimination of facial hair/beard.)
- Exert up to 50 pounds of force frequently, and/or a negligible amount of force constantly to move objects.
- Hearing ability sufficient enough to communicate with others effectively in person and over the phone.
- Ability to hear and respond to internal or external emergency or evacuation alarms.
- Visual ability must be sufficient enough to read typewritten documents, computer screen and drive a car.

If unable to demonstrate these abilities based upon a standardized, objective assessment performed by external occupational health professionals, all reasonable accommodations will be made, in compliance with the Americans with Disabilities Act and any other applicable Federal and Ohio law.

Working Conditions

- General office setting in health department facilities, as well as occasionally in community sites including clients' homes and workplaces.
- Work performed in the community is sometimes subject to conditions that range from inclement weather to dangerous conditions such as snow/ice, cold, heat, noise, wetness/humidity, vibration, sudden temperature changes, and poor illumination at the job site or due to travel on the job. Travel to and from off-site locations may subject worker to increased risk of driving hazards. Community locations may subject worker to communicable diseases, insects and other disease vectors, toxins, hazardous materials, chemicals and animals.
- In all settings, employees in this classification may occasionally need to relate to members of the public who exhibit challenging atypical or hostile behaviors and/or communication.
- May include alternate sites, temporary locations and/or multiple locations depending on the public health emergency.

Equipment Used

Including, but not limited to computer, fax, copier, scanner, calculator, multi-line telephone, cell phone, camera, video recorder, public health and medical equipment and supplies related to duties, and personal vehicle.

Bloodborne Pathogen Risk Code: None Low Medium High
