Qualifications

- Maintains all required Ohio Department of Health (ODH) certifications required to perform Lead Risk Assessments and Specifications pursuant to ORC 3742 and OAC 3701.32.
- Able to conduct inspections using X-Ray Fluorescence (XRF) device.
- Valid Ohio driver's license, current certificate of vehicle insurance, and access to reliable transportation to all assigned work locations.
- National Incident Management System (NIMS)/Incident Command System (ICS) 100.c, 700.b, and 200.c certifications within one month of employment.

Major Responsibilities

Promotes and supports population health by providing specialized, technical, program, or Agency specific information to internal and external customers; establishing and maintaining data files; and drafting and editing documents such as correspondence and contracts.

Essential Functions

Under general supervision and/or as part of the Lead Hazard Control & Health Homes team, performs the following functions within the framework of the Erie County Health Department and core functions and essential services of public health:

- Able to perform accurate and comprehensive lead risk assessments and clearances that can be easily interpreted by all program staff.
- Uses terminology in reporting that is consistent with industry standards and norms.
- Adheres to Occupational Safety and Health Administration standards relevant to job duties, such as exposure to biological or chemical agents.
- Interviews internal and/or external customers to establish program-specific documentation and/or identify services needed.
- Follows all safety policies and procedures to ensure an accident-free workplace.
- Assists with programs' compliance with state and federal regulations and standards of care and practice.
- Adheres to ethical principles in the collection, maintenance, use, and dissemination of data and information.
- Greets and directs clients to the appropriate office within the Agency.
- Under general supervision, prepares public health documents and reports.
- Documents all supply and equipment needs, upgrades, and maintains records for such.
- Assists with monitoring all programmatic updates and keeps the administration informed of policy needs and development.
- Provides specialized and/or technical agency and program specific information that requires limited interpretation of established policies, procedures, and other relevant sources to internal and/or external customers.
- Shares responsibility for proper maintenance and operation of office machines.
- Provides public health information and data with individuals, community groups, other agencies, internal customers, and the public about physical, behavioral, environmental, social, economic, and other issues affecting the public's health.
- Under general supervision, prepares public health documents and reports.

- Provides administrative and technical support to Agency activities related to development and implementation of community health assessment, planning, program, and policy development and implementation activities.
- Maintains, updates, and uses computerized data management systems and utilizes informatics to improve program operations.
- Performs administrative and technical activities related to Lead Hazard Control and Healthy Homes Office and/or program purchasing according to Agency policies and procedures.
- Performs accurate numerical calculations, and/or other applications.
- Performs public health emergency response duties as assigned and consistent with job classification and training provided, in response to threats to the public's health.
- Participates in Agency and community emergency response training and drills in support of disaster preparedness consistent with job classification.
- This position will be responsible for using quality improvement (QI) and performance management (PM) processes and/or techniques to improve the effectiveness of the public health programs. This includes, but is not limited to creating, implementing, and evaluating performance standards and identifying, implementing, and assessing program quality improvement processes.
- Employee goals and objectives need to be aligned with the Agency's goals and objectives listed within the Agency's Strategic Plan.
- Assumes responsibility for own professional growth and development by pursuing education, participating in professional committees and work groups, and contributing to a work environment where continual improvements in practice are pursued.
- Performs other duties as assigned consistent with job classification.
- Greets visitors in a friendly, competent, professional, and informed manner.
- Eases any concerns or distress visitors may exhibit.
- Responds to questions with timely, accurate and complete information.
- Follows all regulations and requirements pertaining to public health, federally qualified health center (FQHC), and Agency policies toward the workplace.

Special Requirements

- Treats others with courtesy and respect in all interactions.
- Responds with flexibility to changing needs.
- Manages multiple tasks and deadlines.
- Supports and promotes the Agency's vision, mission, and core values.
- Knowledge of rules and regulations (developed after employment).
- Knowledge of Agency personnel policies and procedures (developed after employment).
- Knowledge of the core functions and essential services of public health.
- Knowledge of general office principles and practices.
- Knowledge of software applications relative to the position assignment.
- Knowledge of basic accounting and mathematics.
- Knowledge of proper English grammar, usage, and spelling.
- Knowledge of action tracking on specific work assignments or other items related to work position.
- Ability to keep accurate reports and records.
- Organizational skills.
- Requires a self-starter with the ability to work both independently and as a team member in a professional environment.
- Good natured with a positive attitude; able to perform under pressure.
- Ability to interact effectively and in a supportive manner with visitors, stakeholders, and public peers.
- Always courteous and respectful regardless of race, creed, family and/or economic situation.
- Bilingual language skills a plus.
- Ability to use good judgment and persistence in overcoming challenges, addressing conflicts, and solving problems.
- Effective oral and written communication skills, including phone skills and etiquette.
- Attention to detail, and adherence to established policies and procedures required.
- A problem solver, with the ability to organize and prioritize responsibilities.
- Is flexible, and able to embrace and implement change.
- Working knowledge of Windows personal computer, Microsoft Word, and Excel.
- Knowledge and understanding of Patient Centered Medical Homes (PCMH) process.
- Knowledge and understanding of public health accreditation process.
- Criminal background verification required.
- Ability to time budget in areas of workforce development and Agency duties.

Due to the need for all Health Department personnel to respond to public health emergencies, the employee must be assessed for his/her ability to meet the physical demands of performing the following activities:

- Engage in the following movements: climbing, balancing, stooping, kneeling, crouching, reaching, standing, walking, lifting, fingering, grasping, feeling, and writing and repetitive motions.
- Must be able to be fitted and wear NIOSH 95 mask. (Requires the elimination of facial hair/beard.)
- Exert up to 50 pounds of force frequently, and/or a negligible amount of force constantly to move objects.
- Hearing ability sufficient to communicate with others effectively in person and over the phone.
- Ability to hear and respond to internal or external emergency or evacuation alarms.
- Visual ability must be sufficient to read typewritten documents, computer screen and drive a car.

If unable to demonstrate these abilities based upon a standardized, objective assessment performed by external occupational health professionals, all reasonable accommodations will be made, in compliance with the Americans with Disabilities Act and any other applicable Federal and Ohio law.

Working Conditions

- General office settings in health department facilities, as well as occasionally in community sites including clients' homes and workplaces.
- Work performed in the community is sometimes subject to conditions that range from inclement weather to dangerous conditions such as snow/ice, cold, heat, noise, wetness/humidity, vibration, sudden temperature changes, and poor illumination at the job site or due to travel on the job. Travel to and from off-site locations may subject workers to increased risk of driving hazards. Community locations may subject workers to communicable diseases, insects and other disease vectors, toxins, hazardous materials, chemicals, and animals.
- In all settings, employees in this classification may occasionally need to relate to members of the public who exhibit challenging atypical or hostile behaviors and/or communication.
- May include alternate sites, temporary locations and/or multiple locations depending on the public health emergency.

Equipment Used

Including, but not limited to computer, fax, copier, scanner, calculator, multi-line telephone, cell phone, camera, video recorder, public health and medical equipment and supplies related to duties, and personal vehicle.

Bloodborne Pathogen Risk Code: None Low Medium High
