- Knowledge of the core functions and essential services of public health.
- Knowledge of general office principles and practices.
- Knowledge of software applications relative to the position assignment including Windows, Microsoft Word, and Excel.
- Knowledge of basic accounting and mathematics.
- Knowledge of proper English grammar, usage, and spelling.
- Knowledge of action tracking on specific work assignments or other items related to work position.
- Ability to keep accurate reports and records.
- Requires a self-starter with the ability to work both independently and as a team member in a professional environment.
- Good natured with a positive attitude; able to perform under pressure.
- Ability to interact effectively and in a supportive manner with visitors, stakeholders, and public peers.
- Always courteous and respectful regardless of race, creed, family and/or economic situation.
- Bilingual language skills a plus.
- Ability to use good judgment and persistence in overcoming challenges, addressing conflicts, and solving problems.
- Effective oral and written communication skills, including phone skills and etiquette.
- Attention to detail, and adherence to established policies and procedures.
- Flexible, and able to embrace and implement change.
- A problem solver, with the ability to organize and prioritize responsibilities.
- Ability to time budget in areas of workforce development and Agency duties.
- Criminal background verification required.

Due to the need for all Health Department personnel to respond to public health emergencies, the employee must be assessed for his/her ability to meet the physical demands of performing the following activities:

- Engage in the following movements: climbing, balancing, stooping, kneeling, crouching, reaching, standing, walking, lifting, fingering, grasping, feeling, and writing and repetitive motions.
- Must be able to be fitted and wear NIOSH 95 mask. (Requires the elimination of facial hair/beard.)
- Exert up to 50 pounds of force frequently, and/or a negligible amount of force constantly to move objects.
- Hearing ability sufficient to communicate with others effectively in person, over the phone, and hear and respond to internal or external emergency or evacuation alarms.
- Visual ability must be sufficient to read typewritten documents, computer screen and drive a car.

If unable to demonstrate these abilities based upon a standardized, objective assessment performed by external occupational health professionals, all reasonable accommodations will be made, in compliance with the Americans with Disabilities Act and any other applicable Federal and Ohio law.

Working Conditions

- General clinic setting in a school, as well as other occasional health department facilities which may include community sites, client's home, or other workplaces.
- Work performed in the community is sometimes subject to conditions that range from inclement weather to dangerous conditions such as snow/ice, cold, heat, noise, wetness/humidity, vibration, sudden temperature changes, and poor illumination at the job site or due to travel on the job. Travel to and from off-site locations may subject workers to increased risk of driving hazards. Community locations may subject workers to communicable diseases, insects and other disease vectors, toxins, hazardous materials, chemicals, and animals.
- In all settings, employees in this classification may occasionally need to relate to members of the public who exhibit challenging atypical or hostile behaviors and/or communication.
- May include alternate sites, temporary locations and/or multiple locations depending on the public health emergency.

Equipment Used

Including, but not limited to computer, fax, copier, scanner, calculator, multi-line telephone, cell phone, camera, video recorder, public health and medical equipment and supplies related to duties, and personal vehicle.

Bloodborne Pathogen Risk Code: None Low Medium High
